

# Smartie Pants Parent Committee

## Objectives of the Parent Committee

The purpose of establishing the Parent Committee is to further facilitate an effective communication, consultation and support bridge between families using care at Smartie Pants and the Smartie Pants team in order that Smartie Pants:

- deliver care that not only meets but aims to exceed the expectations of families using their care; and
- can continuously monitor and improves its policies, procedures, practices and resources to ensure that it achieves and remains a child care centre of excellence.

*To achieve this the Parent Committee will -:*

- provide feedback to Smartie Pants regarding policies, procedures and practices as required;
- establish sub-committees as required to provide support, feedback and/or consultation regarding specific issues;
- provide parent input into the operational management of the programs at Smartie Pants;
- provide a formal consultative link between the team at Smartie Pants and the parent community;
- support and participate in fundraising activities to assist the team at Smartie Pants continually optimise and improve its resources;
- encourage involvement and participation in events and programs from parents not actively engaged in the Parent Committee; and
- actively seek feedback and review from the remainder of the parent community so as to ensure that the Parent Committee reflects the values, standards and expectations from all families using care at Smartie Pants.
