

Jump for Joy Joy, Creativity, Active learning, Wonderment, Skills for life- that's Jump for Joy!

Kinder and Pre-kinder classes

Our kinder programs are specially designed with a distinct focus on achievable play based and fun learning outcomes.

Our music and extensive range of props and original music written for the kinder age groups are engaging, exciting and fun!

Our aim is a fun learning structure that enhances-

The fundamental creative teaching methods and process skills, resulting in achievable learning outcomes when integrated into all areas of the arts as: children are delighted to participate of their open-ended curiosity~ how the world works, observing, communicating, visual activities, measure, volume, dramatic play, props, sports, singing, yoga, dancing and trying new things

'Process skills- observing, using the senses, thinking, doing and movement to gather information about objects or events'

Jump for Joy Kinder Programs Develop-

Social, artistic & personal skills linking cognitive pathways, fine and gross and locomotor skills, sensory engagement, social and emotional development, literacy and numeracy, math, early language communication whilst having fun fun fun through play based learning.

Music is an exceptional channel for learning, especially in young children.

When paired with movement, instruments and props it creates neurological magic, lighting up a child's brain and positively impacting all areas of development.

Jump for Joy classes are engaging with a distinct focus on achievable learning outcomes

In every class your child is welcomed into a nurturing environment preparing them for both primary school and skills they need for life
